Section III: Actions Taken in Relation to a Specific Transaction After Credit, Cover or Other Support Has Been Approved

Question 14:

If, **after** credit, cover or other support has been approved, you have reason to believe that **bribery may be involved in the transaction** (e.g. press reports from a reputable source, information provided by participants in the transaction) related to the award of the export contract, what action(s) are taken?				Elaboration for "other" answers and/or any additional comments/clarifications:
Australia	Law enforcement authorities are informed			Any suspicion and/or evidence obtained on the involvement of bribery in a relation to an export contract in respect of which EFIC has provided a facility is to be brought to the attention of the Executive Team (including EFIC's Managing Director). A decision will be made by EFIC's Managing Director and his Executive Team with a view to undertaking enhanced due diligence if we have reason to believe that bribery may be involved in the transaction. The outcome of this investigation will determine further action EFIC eventually takes on the existing facility. Such actions include, but are not limited to, the cancellation of the transaction or acceleration of repayments.
