**Q6: Case story abstract**

ACEP Cameroun is a microfinance institution specialized in financing SMEs from urban areas of Douala, Yaounde and Bafoussam. It was created in 1999 and was initially a project led by the Cameroonian government with financing from the European Union (EU) and the French Development Agency (AFD) with ACEP Development as technical operator. Transformed into a private financial institution in September 2005, ACEP SA CAMEROON operates as an institution of micro-finance (MFI) in the second tier, focusing mostly on financing Very Small Businesses in urban and peri-urban areas. Since 2005, ACEP has distributed credit to more than 45 000 very small entrepreneurs (street food vendors, shoemakers).
