

## *Table of contents*

<b>DAC’s Main Findings and Recommendations</b> .....	11
<b>Secretariat Report</b> .....	23
<b>Chapter 1</b>	
<b>Strategic Orientations</b>	
Strategic foundations of Switzerland’s development co-operation .....	23
Legal foundations for Switzerland’s development co-operation.....	23
Switzerland’s institutional framework for development co-operation .....	24
Swiss strategic framework for development co-operation.....	26
Steps towards a strategic, unified approach .....	26
Confirm poverty reduction as the overarching objective for Switzerland’s aid programme .....	27
Streamline themes within and across institutions.....	28
Further integrate cross-cutting issues within the aid programme.....	30
Strengthen the strategic vision based on Swiss added value.....	31
Communicating and buiding public awareness .....	32
Strengthen public and political support to development co-operation.....	32
Maintain a crucial focus on communicating results .....	33
Future considerations .....	33
<b>Chapter 2</b>	
<b>Policy Coherence for Development</b>	
Normative and institutional frameworks .....	35
Political commitment and vision, but no binding framework .....	35
Policy progress: trade, taxation and recovery of stolen assets .....	37
Policy co-ordination mechanisms .....	38
The need to use mechanism more effectively to implement the policy coherence vision .....	38
Results monitoring of policy coherence for development: room for improvement.....	40
The example of migration.....	41
Increase the focus on the development opportunities of migration.....	41
Ensure that operational co-ordination is backed up by high-level arbitration.....	42
A need for more systematic monitoring, analysis and reporting.....	43
Future considerations .....	43
<b>Chapter 3</b>	
<b>Aid Volume, Channels and Allocations</b>	
ODA volume.....	45
ODA increases: the challenge to stay on track.....	45
An ODA increase based on adjustments in reporting – but a drop in programmable aid .....	46
Predictability through multi-year frameworks for ODA .....	48
A strategic use of resources.....	48
Allocation of bilateral development assistance.....	49
Geographic allocation: ensuring concentration.....	49

Balancing approaches to low and middle-income countries .....	51
A better concentration on fewer themes.....	52
Aid to and through non-governmental organisations .....	52
Multilateral assistance.....	52
Future considerations.....	54

#### **Chapter 4 Organisation and Management**

Organisation.....	55
Building an effective aid programme despite a dual institutional structure.....	55
SDC and SECO institutional frameworks .....	56
Further decentralisation.....	59
Strategic, results-based management .....	60
Reinforcing the strategic budgetary and programming approach .....	60
Standardising corporate business processes for monitoring and reporting .....	61
Assessing the performance of the aid programme .....	61
Managing knowledge .....	63
Skills and human resource capacity .....	63
Institutional partnerships.....	64
Engaging further with Swiss institutional partners .....	65
The need for a strategic, standardised approach to NGOs .....	65
Future considerations.....	66

#### **Chapter 5 Aid Effectiveness**

Active engagement in promoting effectiveness .....	69
High level commitment.....	69
Steps towards aid effectiveness.....	69
Aid effectiveness in fragile states.....	71
Progress and challenges at country level .....	72
Ownership and alignment.....	72
Harmonisation .....	75
Managing for results and mutual accountability .....	76
Future considerations.....	76

#### **Chapter 6 Special Issues**

Capacity development.....	77
Strategic orientation: “help for self-help” .....	77
Definition and concept .....	78
Practical approach .....	78
Institutional set-up and staff resources.....	81
Environment and Climate Change .....	81
A legal framework based on sustainability, and a strategic shift towards climate change.....	82
SDC and SECO’s operational approaches .....	82
Mainstreaming and coherence.....	85
Financing and statistical reporting .....	87
Staffing, management and division of labour .....	87
Future considerations.....	89

<b>Annex A</b>	<b>Progress since the 2005 Peer Review recommendations</b> .....	91
<b>Annex B</b>	<b>OECD/DAC Standard Suite of Tables</b> .....	95
<b>Annex C</b>	<b>Switzerland and the Good Humanitarian Donorship Initiative</b> .....	103
<b>Annex D</b>	<b>Field visit report Albania</b> .....	115
<b>Annex E</b>	<b>Field visit report Nicaragua</b> .....	123
	<b>Description of key terms</b> .....	133
	<b>Bibliography</b> .....	135
