

# Instructions for Commenting on Draft Test Guidelines

Comments should be submitted as follows:

1. If you are a citizen of an OECD member country or a non member country adhering to the Mutual Acceptance of Data and participating in the work on Test Guidelines and:
  - working in the public sector (local/federal government, academia), please submit your comments to your National Co-ordinator ([see list](#));
  - working in the private sector (industry, contract laboratory), please submit your comments either to your National Co-ordinator ([see list](#)) or the Business and Industry Advisory Council ([BIAC](#)) to OECD;
  - commenting on behalf of a public interest group, please submit your comments to your National Co-ordinator ([see list](#)) or to the [EEB](#) (for environmental interest groups) or [ICAPO](#) (for animal welfare interest groups).
2. If you are not a citizen of an OECD Member country or a non member country participating in the work on Test Guidelines, please submit your comments directly to the OECD [Secretariat](#).
