### **FORMAL ENDORSEMENT OF THE ANTI-CORRUPTION ACTION PLAN FOR ASIA-PACIFIC (Tokyo, 30 November 2001)**

#### **SINGAPORE**

**Name of speaker: Mr. Cher Yak CHUA  
Director  
Corrupt Practices Investigation Bureau**

While we endorse the Action Plan I think it is necessary that we place it in the context under which the endorsement is made.

We have been taking strong anti-corruption action all these years with or without the Plan.

Therefore, it would be out of sync for us not to endorse the Plan as that would go against what we stand for.

Whilst we have not arrived (and I think nobody has truly arrived), may I humbly request that we should not be tracked and audited as though we are just starting to embark on an anti-corruption programme.

Thank you.
