Dear Mr. Wehrle,

Subject: The ADB-OECD Anti-Corruption Action Plan

On behalf of the Macao Special Administrative Region (Macao SAR) Government, we would like to inform you formally of the decision of the Government to endorse the ADB-OECD Anti-Corruption Action Plan.

The Government is fully committed to preventing and combating corruption and has been optimizing its legal mechanisms since the establishment of Macao SAR. The Commission Against Corruption (CCAC) was set up on 20th December 1999 as a public entity empowered to fight corruption and carry out ombudsman functions. As prescribed by its Organization Law, the CCAC functions independently and is accountable to the Chief Executive of the Government. Ever since its inception, the CCAC has been making every effort to reprove vice and promote probity through the employment of a four-pronged strategy of “anti-corruption, prevention, proposal of the enactment of normative acts and education”.

We understand that globalization has shrunk the world and that our anti-corruption endeavors can only be successful through close regional cooperation, sharing of best practices and exchange of knowledge and experiences. We hereby express our
