- 2011 April 4th Ref. Group Meeting, Copenhagen - Phase 2 Draft Synthesis Report
- May Phase 2 Synthesis Report
- Nov. 4th HLF in Busan, Korea – Completion Phase 2

# Purpose of the Workshop

- To share and validate emerging findings in terms of answers to the 3 overarching evaluation questions and assess evidence
- To feed into the synthesis process
- To confirm collective ownership and commitment to the process and products
- To agree on and commit to the way forward to HLF 4

# Workshop Structure

1. Brief Presentation of very preliminary results of synthesis work: issues and constraints
2. Presentation of the current basis: individual country evaluations and development partner HQ studies
3. Peer discussions in groups and plenary based on 1 and 2
4. Synthesis Team presentation of outcomes of 1, 2 and 3 – implications for Synthesis
5. Input to and plans for completing remaining country evaluations and donor studies
6. Presentation and discussion of dissemination activities
7. Review of the evaluation as a learning process
8. Next steps —on the way to Pusan

# Review of the Evaluation

- To analyse strengths and weaknesses of the evaluation process
