

Philippe Calamel

GEC Odyssea Director

Philippe Calamel is Director of the European Grouping For Cooperation (GEC) Odyssea, since 2007.

Mr. Calamel is the author of “Growth and Blue Tourism Odyssea” sustainable territorial development program, based on “Sea / River - Port cities - Hinterland” link, around Blue and Green Tourism, Ecomobility and Connectivity.

He is the Director of Odyssea Project for France and Europe and advisor (Expertise and engineering) to the European programs of Odyssea territorial cooperation (Spain, Italy, France, Portugal, Tunisia, Morocco...).

Mr. Calamel is also the advisor to President of the French Federation of Marinas, for Blue Tourism issues; as well as a City Councillor (La Palme City, in Occitanie Region, France) and Vice-President of “Parc Naturel Regional de la Narbonnaise en Méditerranée”.
