

**«Evaluation of possibilities of overcoming asymmetry in  
the social and economic development of urban and rural  
regions under the condition of establishment of  
Krasnoyarsk agglomeration»**

**Evgenya Bukharova**

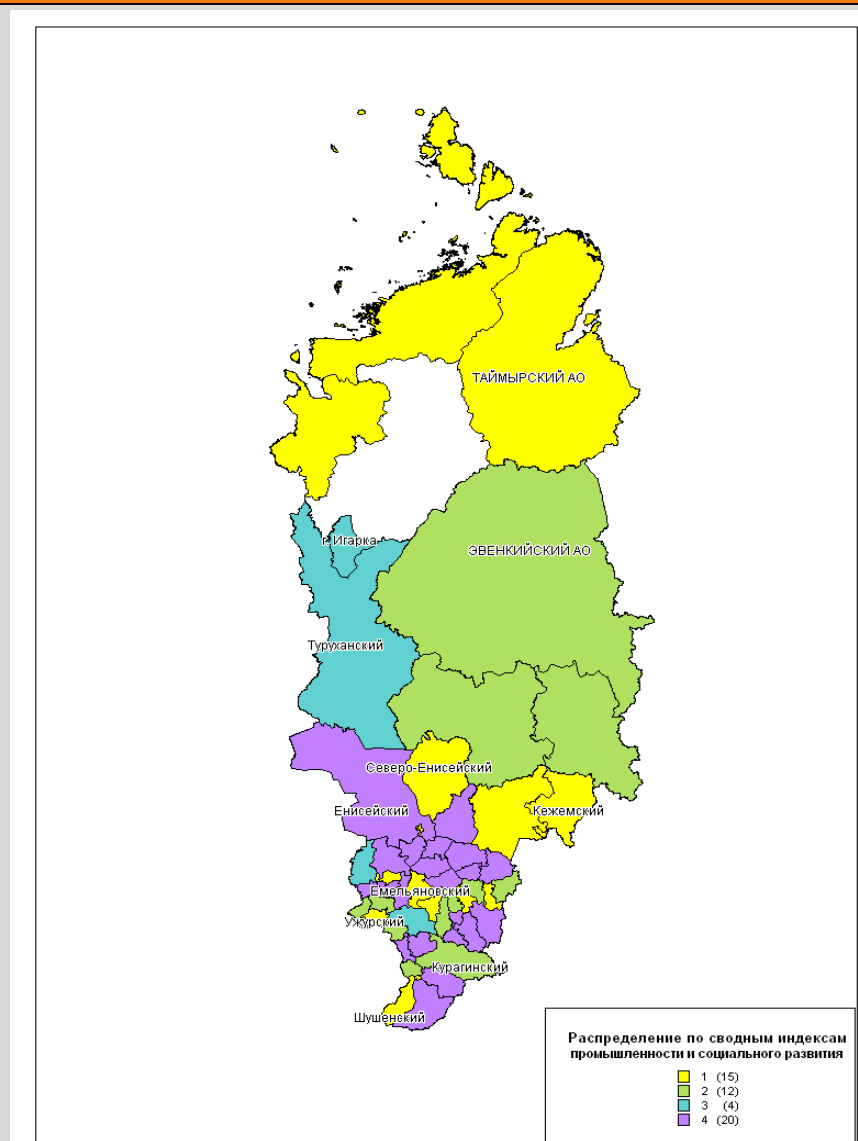

Siberian Federal University,  
Institute of Economics, Management and Environmental  
Study,

**3-5 OCTOBER, 2012  
K KRASNOYARSK, RUSSIA 2**

- ◎ Asymmetry of social and economic development of the Krasnoyarsk Krai
  - Urban areas
  - Rural areas

# Allocation of municipal districts on the map of the Krasnoyarsk Krai according to the levels of social and economic development

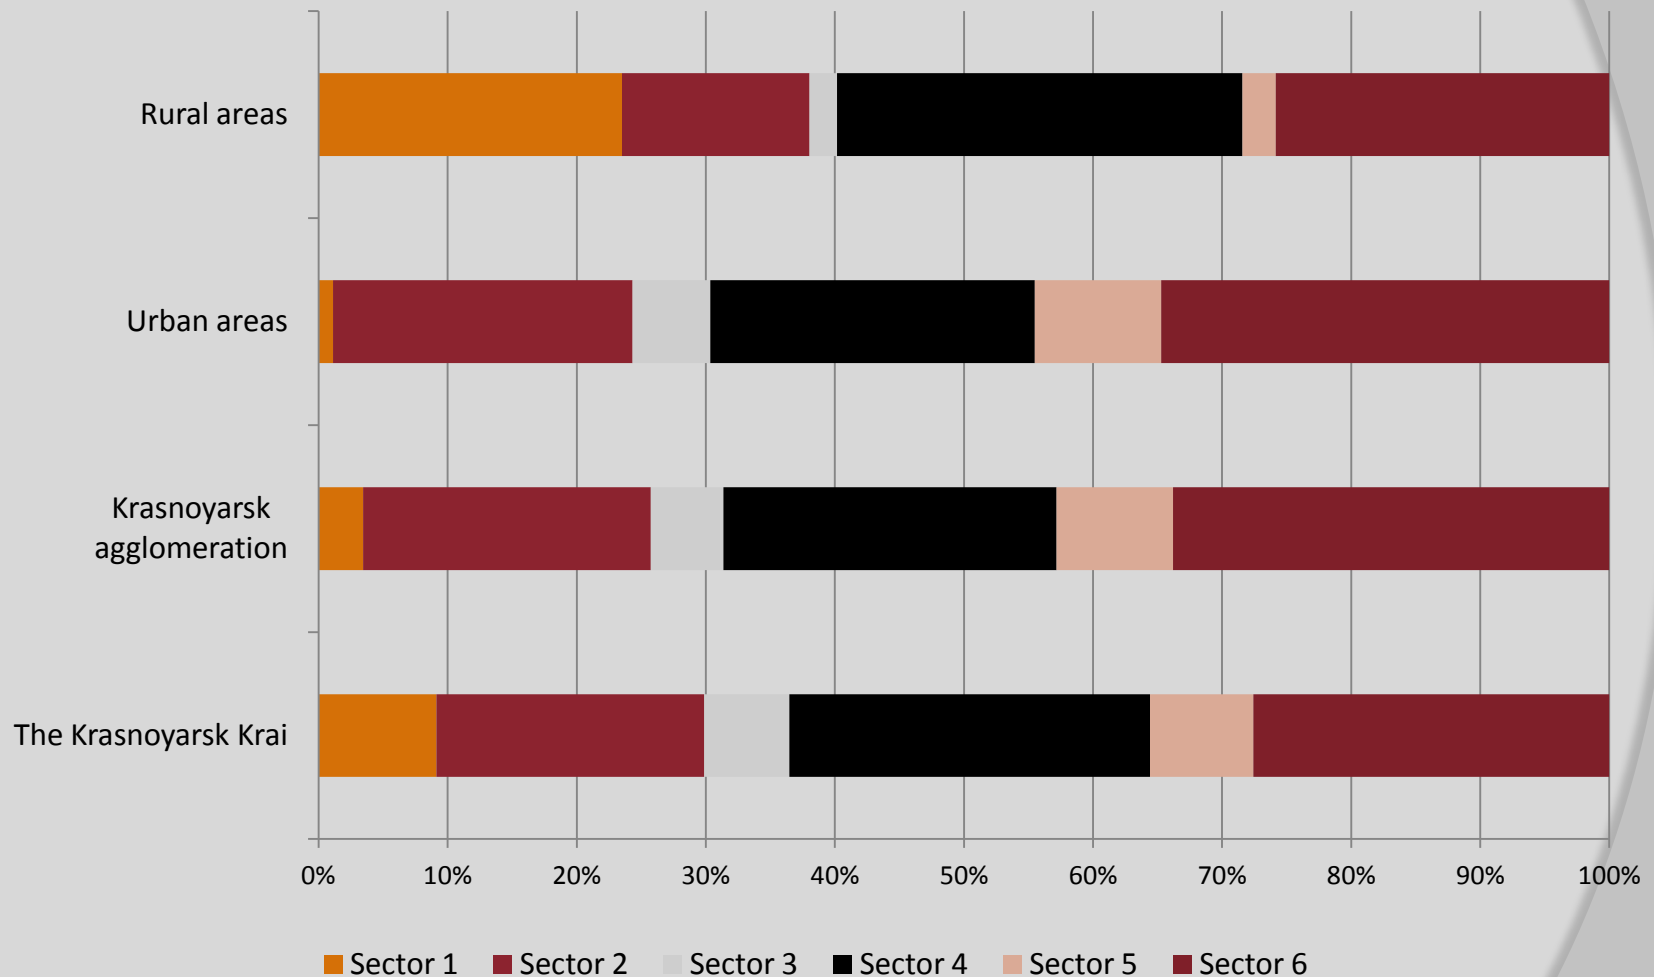

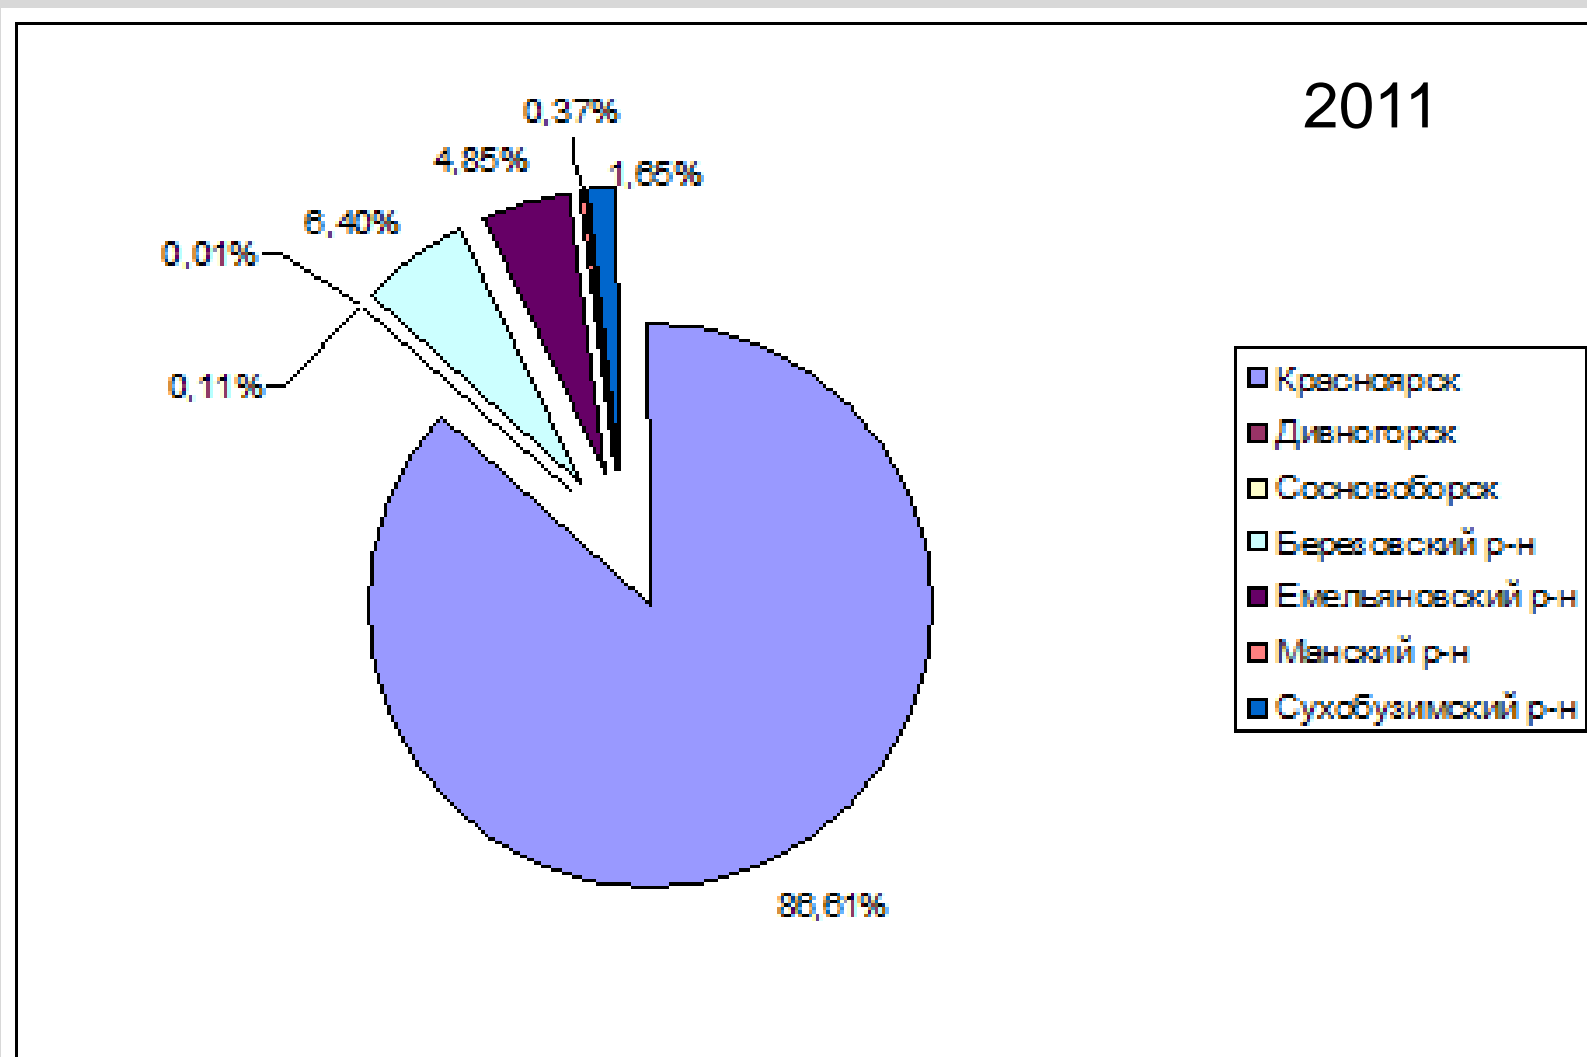

- ◎ Asymmetry of the social and economic development of Krasnoyarsk agglomeration
  - Structure of production by the types of activities
  - Structure of the employed by the types of activities
  - Good infrastructure
  - Remoteness/closeness to the centre of the agglomeration
  - Transport links

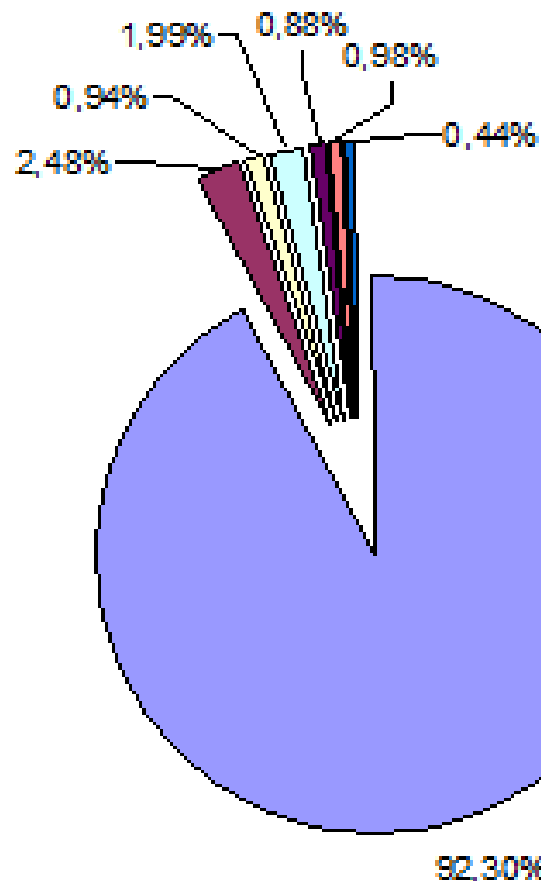

# Structure of the employed by the sectors of economy

# Structure of GVA in the primary sector by the areas of agglomeration

# Structure of GVA in the secondary sector by the areas of agglomeration

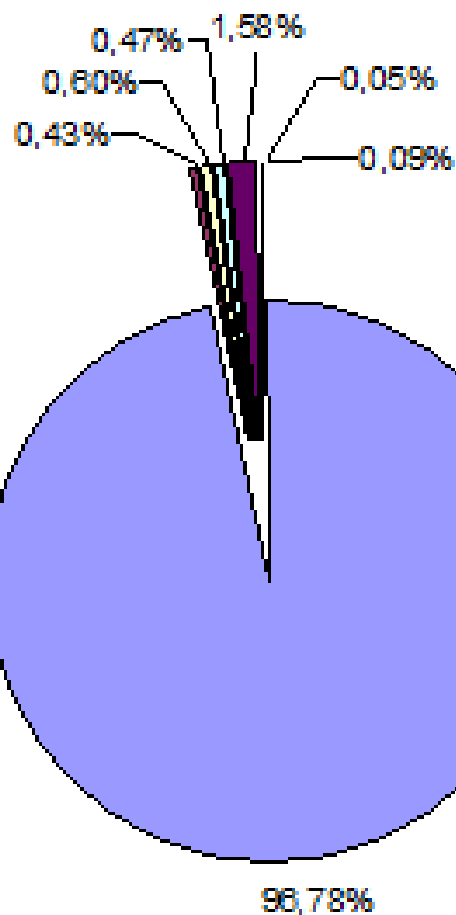

2011

- Красноярск
- Дивногорск
- Сосновоборск
- Березовский р-н
- Емельяновский р-н
- Манский р-н
- Суходушимский р-н

# Structure of GVA in the tertiary sector by the areas of agglomeration

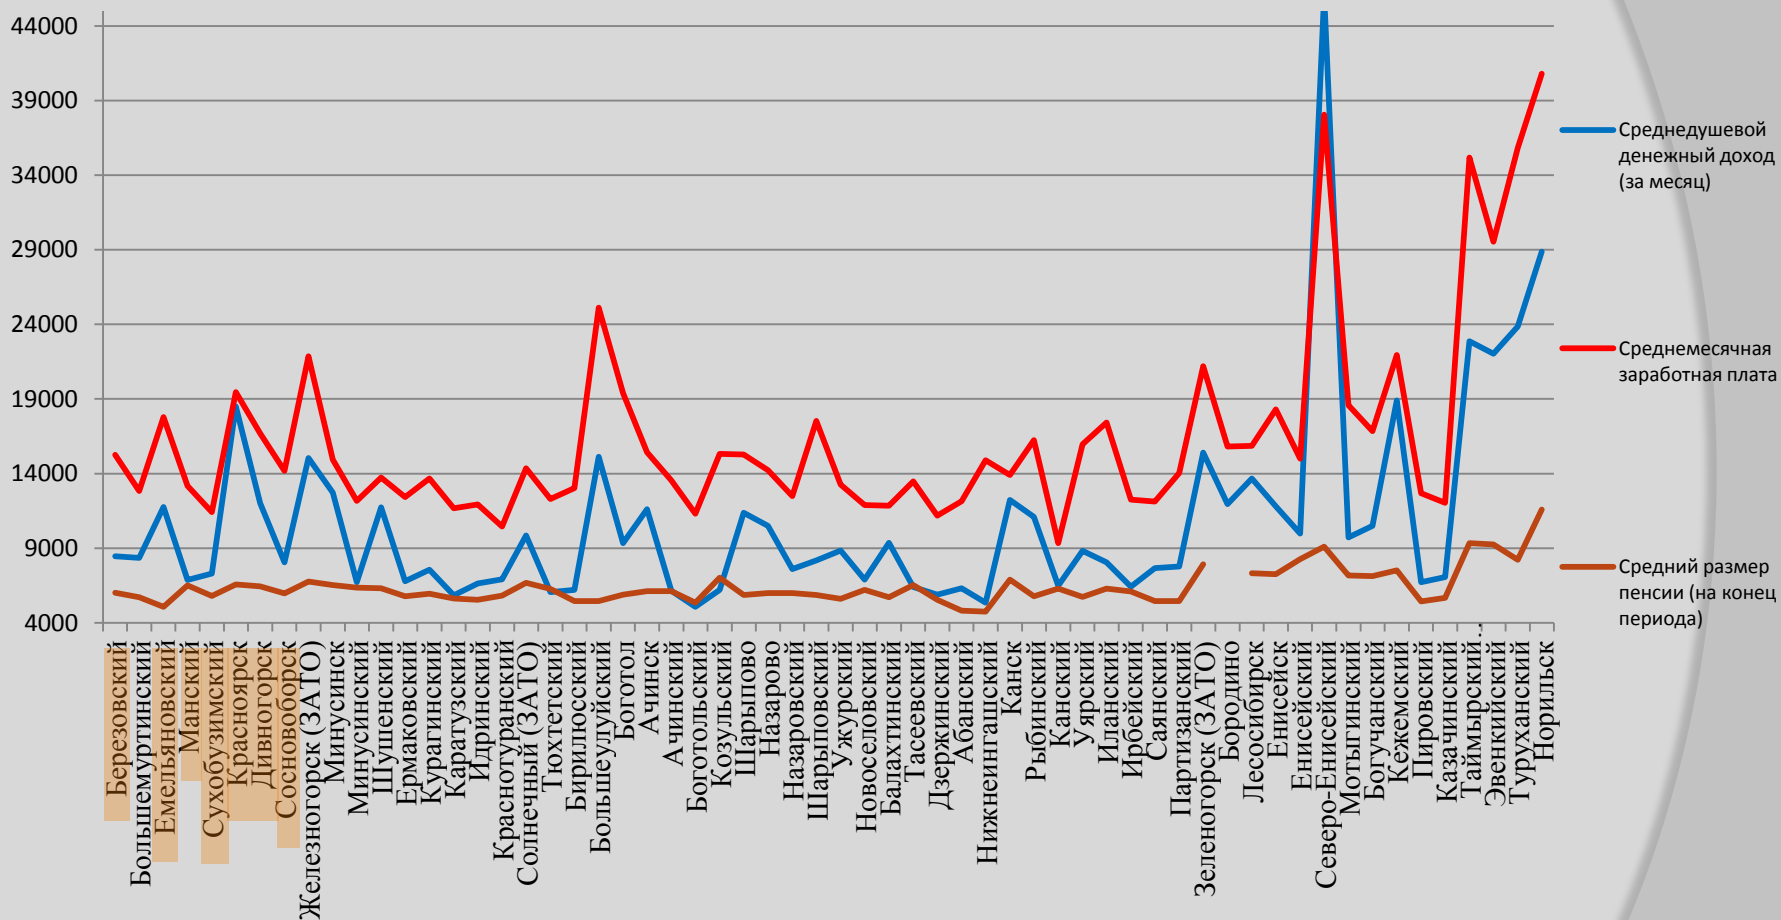

2011

- Красноярск
- Дивногорск
- Сосновоборск
- Березовский р-н
- Емельяновский р-н
- Манский р-н
- Сухобузимский р-н

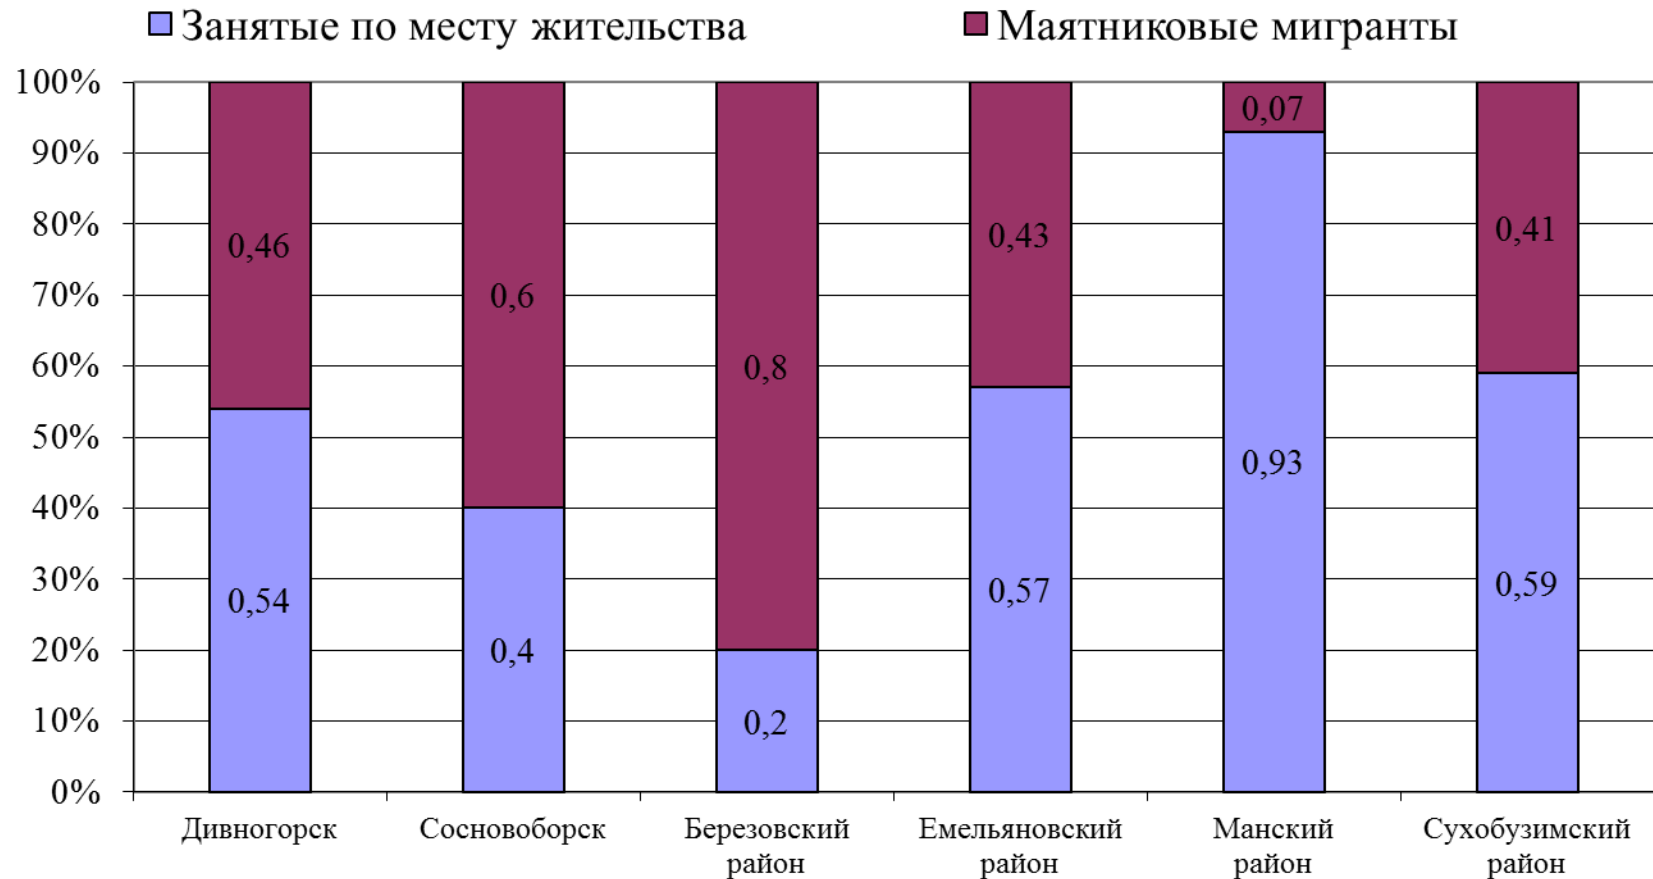

- ◎ Asymmetry of the social and economic development of Krasnoyarsk agglomeration
  - Level of income
  - Commutation of population
  - Labor productivity

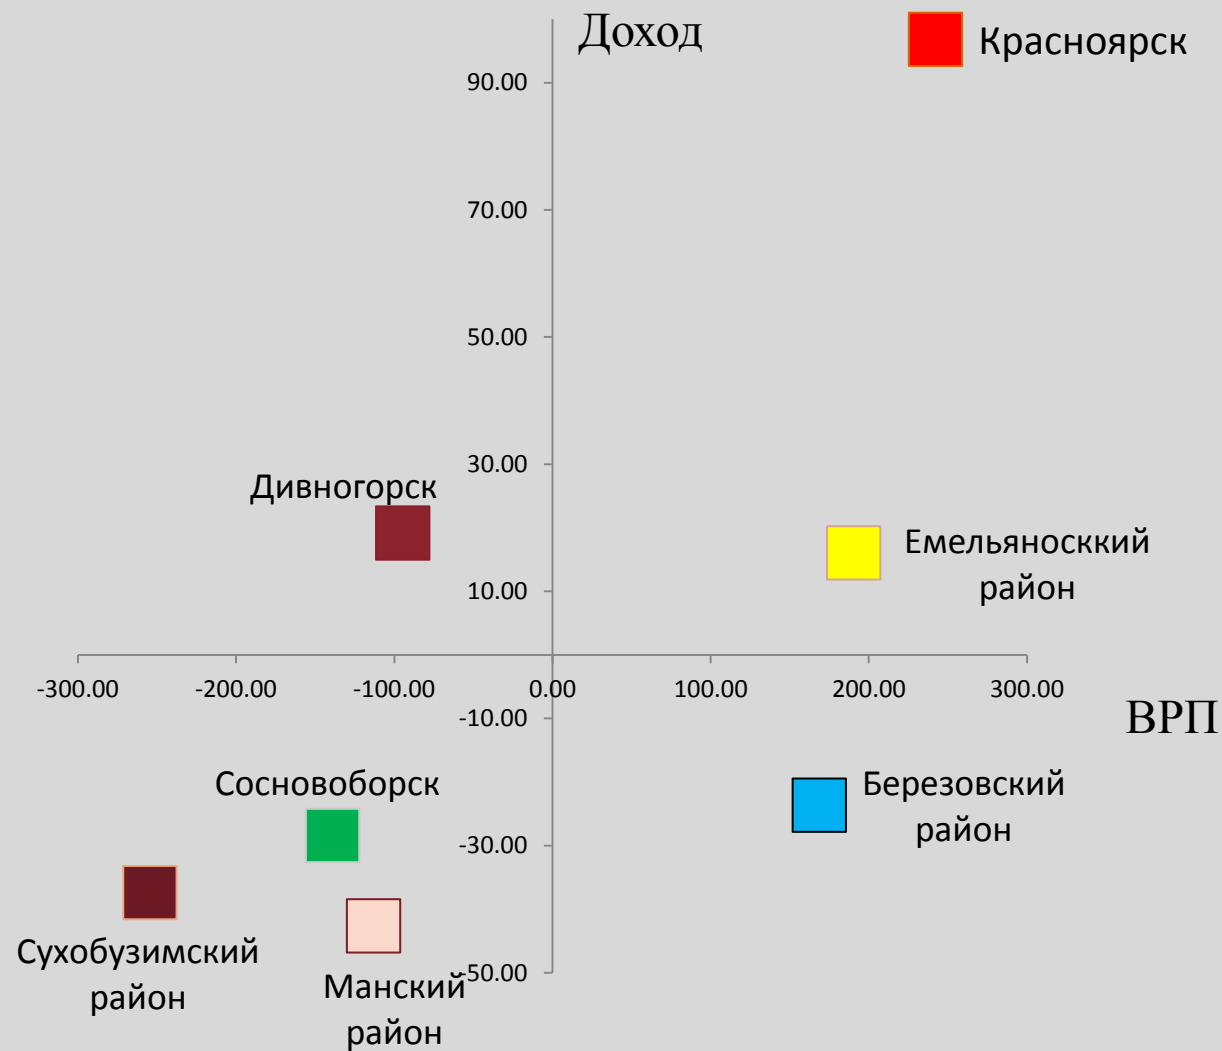

# Income of the population of the Krasnoyarsk Krai municipal districts, rubles

# Proportion between the employed according to the place of residence and commuters on the average in the period of 2000-2012

# Distribution of municipal districts of Krasnoyarsk agglomeration by deviations from the average per-capita income and GRP for the employed

- Reduction of asymmetry of the social and economic development of Krasnoyarsk agglomeration
  - Rural areas
  - Urban areas

- Reduction of asymmetry of the social and economic development of Krasnoyarsk agglomeration - modernization and innovative development:
  - Rural areas
    - **Primary sector**
    - **Tertiary sector**
  - Urban areas
    - **Tertiary sector**
    - **Secondary sector**

**Thank you for your  
attention!**
