

Alastair Dobson
Managing Director, Arran Dairies

Alastair Dobson, comes from a farming background and studied agriculture at College. He returned to the family business in the mid-eighties to help establish Arran Dairies where he is now Managing Director. He is also Managing Director of Taste of Arran Ltd.

Arran Dairies Ltd is a manufacturing dairy business that also has a wholesaling division that wholesales all catering supplies to hospitality and catering businesses on the Isle of Arran.

Manufactured products include premium dairy ice cream which is sold throughout the UK by Alastair's other business, Taste of Arran. Taste of Arran is a collaborative business primarily manufacturing, promoting, selling and distributing food and drink from 10 SME food companies on the Isle of Arran throughout the UK and abroad.

Other Board appointments include, Scottish Manufacturing Advisory Board, North Ayrshire Economic Development Board, Arran Economic Group, VisitArran and the Scotland Food and Drink Leadership Forum, Scottish Food Tourism Strategic Board.
