

Marc Fuster

Consultant

OECD

Marc Fuster is a Consultant in CERI's Trends Shaping Education and 21st Century Children projects. He previously worked on the Governing Complex Educational Systems (GCES) and Strategic Education Governance (SEG) projects. He comes from the Bofill Foundation in Barcelona. He holds a MA in 'Current Democracies: nationalism, federalism and multiculturalism' and a BA in political science from Universitat Pompeu Fabra (Barcelona, Spain). Prior to joining OECD, he has worked in the Catalan Department of Education as policy analyst.
