

Niclas Purfürst
Head of Department for Rural Development
Swedish Board of Agriculture

Niclas Purfürst is head of Department for Rural Development at the Swedish Board of Agriculture. He is responsible for the managing authority for the EAFRD, EMFF and CLLD in ERDF and ESF in Sweden.

Mr Purfürst has been working at the board of agriculture for more than 20 years and particularly with rural development. Last year he was one of the experts working close to the Parliamentarian Committé that suggested a new policy for the rural areas in Sweden. He is also a member in the steering group for ENRD.
