○ Tour Information

Seoul has been one of the oldest cities in East Asia and the capital city of Korea since the founding of the Chosun Dynasty for more than 600 years. Today, Seoul, a fascinating blend of traditions and cutting-edge high technology, is an internationally recognized metropolitan city with more than 10 million inhabitants in the world.

All of the city tour companies above have a variety of tour packages for many of the popular tourist attractions in Korea, for example, Jeju Island (the largest island and the country's favorite domestic holiday destination), Gyeongju (the capital of an ancient dynasty in Southern Korea), the Folk Village and Sorak National Park which is known for its science beauty.

You can find more information about touring in Korea at the official website of the Korean National Tour Organization at <https://english.visitkorea.or.kr>

○ Electricity

If you intend to bring any portable electronic devices (e.g. laptop, smartphone, tablet PC,) to Korea, Please note that there is currently only one voltage in use in Korea – **220 volts**

○ Currency Exchange

You can exchange internationally used major currencies such as USD, EURO, etc. for the Korean won (Korean Currency) at banks located within the airport. At the airport area, bank opening hours are from 06:30 to 20:30. You can also exchange the major currency at almost all bank branches in Seoul between 09:30 to 16:00.

The exchange rate is around **1 USD = 1,315 Korean Won**, and **1 EURO = 1,420 Korean Won** as of April 2023.

▪ All the Major credit cards are accepted in Korea in places displaying the emblem at the entrance.
