Corrigendum

Page 145:

Table B.49. 2008 multilateral and non-core multilateral ODA

In this table, the entries given on core contributions and non-core contributions for “Other UN” were incorrect. The correct entries are as follows: as gross disbursements in 2008 USD million, core contributions for “Other UN” are 467 (not 38) and non-core contributions for “Other UN” are 308 (not 56).
