## Corrigendum

### **Page 78:**

*The last sentence in the second paragraph should read:*

In other countries, such as Australia, the United Kingdom and the United States, inequalities grew within the upper half of income distribution and in particular at the very high-end, as between 20 % (Australia, United Kingdom) and close to 50% (United States) of total income gains have accrued to the top 1% of households (OECD, 2014a).
