## Corrigendum

### Page 3:

Convert USD to CHF :

- In the sentence “In 2018, global trade in counterfeit and pirated goods infringing Swiss IPRs decreased lawful rights holders’ sales by at least CHF 4.45 billion (USD 4.48 billion), or 1.5% of Swiss exports” has been changed to “In 2018, global trade in counterfeit and pirated goods infringing Swiss IPRs decreased lawful rights holders’ sales by at least CHF 4.45 billion (USD 4.48 billion), or 1.5% of Swiss exports”
- In the sentence “In addition, it reduced the tax revenue to the Swiss government by about USD 158 million, equivalent to almost 0.2% of tax revenue collected” has been changed to “In addition, it reduced the tax revenue to the Swiss government by CHF 157.5 million (USD 158.4 million), equivalent to almost 0.2% of tax revenue collected.”

### Page 4:

Remove the space between 3.3 and % in the sentence “As shown in these reports, trade in counterfeit and pirated goods amounted to up to 3.3 % of world trade in 2016, and was an even higher share (6.8%) of imports into the EU”

### Page 10:

Endnote added to the sentence “First, it studies the magnitude and impacts of global trade in counterfeit Swiss goods” as follows “First, it studies the magnitude and impacts of global trade in counterfeit Swiss goods<sup>1</sup>”.

Endnote : <sup>1</sup> In this study, we understand a "Swiss" or "Swiss Made" product to be a product that bears the trademark or other intellectual property right of a Swiss company.”

Change number from 3 decimals to 2 decimals in the sentence “Those consumers that demand genuine “Swiss made” goods, but instead receive sub-quality fakes, suffer damage calculated at CHF 2.056 billion (USD 2.068 billion) in 2018.” which is now “Those consumers that demand genuine “Swiss made” goods, but instead receive sub-quality fakes, suffer damage calculated at CHF 2.06 billion (USD 2.07 billion) in 2018.”

**Page 11:**

Add “more than” and changed 10,000 to 10 000 in the sentence “In 2018, total job losses due to trade in counterfeit goods infringing Swiss IPRs amounted to 10,000 people.” which is now “In 2018, total job losses due to trade in counterfeit goods infringing Swiss IPRs amounted to more than 10 000 people.”
