Corrigendum

Page 14, Class II, 5th paragraph:

“Superficial and dry damages ~~on the leaves~~ including slight signs of virus diseases such as leek yellow stripe virus or slight signs of other diseases are allowed.” The words “on the leaves” are deleted.

Page 17, B. Packaging, 5th paragraph:

The last sentence “Information lasered on single produce should not lead to flesh or skin defects.” is deleted.

Page 28, Catégorie II, 5th paragraph:

« Sont admis des défauts superficiels et secs ~~sur les feuilles~~, y inclus, par exemple, des signes légers des maladies virales, des rayures jaunes ainsi que de légères attaques par d’autres maladies. » The words « sur les feuilles » are deleted.
