The first paragraph of the Acknowledgments should read:

The report was prepared under the responsibility of the Health Division of the OECD's Directorate of Employment, Labor, and Social Affairs. The lead author of this health system review was Agnès Couffinhal. Additional authors included Ruth Lopert (Assessment and recommendations chapter), Karolina Socha-Dietrich (Health system performance chapter), Liliane Moreira (Primary care chapter), António Duran and António Moreno (Hospital chapter). Ali Nurgozhayev provided considerable insight and help throughout the work. **Ian Forde led the initial discussions with the authorities of Kazakhstan, based on an issues paper prepared with Alessia Forti.** The report also benefited from useful comments from David Morgan and Michael Mueller. The authors wish to thank Francesca Colombo, Stefano Scarpetta and Mark Pearson for their support. Thanks also go to Ruth Lopert for copy editing the report, Lukasz Lech for formatting the document and logistical support, and Lucy Hulett for editorial support.
