### Corrigendum

#### Revised version, May 2014

A change has been made to two of the tables since the publication was originally published on line.

#### Page 159:

*Figure 4.5. National oversight institutions for gender equality (2012)*

The data has changed for Israel, the circle has been darkened under "Parliamentary Committee dedicated to gender equality/ women's affairs" and under "Judicial body: commission or office located in the Ministry of Justice or that adjudicates claims or advocates in court".

The total has also been changed under these 2 elements:

- 13 "Yes" and 9 "No" for "Parliamentary Committee dedicated to gender equality / women's affairs"
- 8 "Yes" and 14 "No" for "Judicial body: Commission or office located in the Ministry of Justice or that adjudicates claims or advocates in court".

#### Page 160:

*Figure 4.6. Parliamentary committees on gender equality in OECD countries (2012)*

Israel has been removed from the "OECD countries that do not have a Parliamentary Committee on Gender Equality", and has been added under "Yes".
