***44. Fellowship Guidelines and Conditions**

When you have fully completed the application form, please click the box below to signify that you agree to the general [Guidelines and Conditions of the Fellowship Awards Programme](#) and that your application form can go for assessment.

Once this has been done, you will not be able to make any further changes to your application.

Award decisions will be made towards the end of the year and research applicants will be informed by the Secretariat in late December or early January. For administrative reasons, it is advised that research visits do not start before 1st March. All administrative arrangements for ALL research fellows must be completed before 1st November of the year of the fellowship, although departure may be undertaken up to two weeks before the end of the year at the latest.

I have read and agreed to the general information and conditions of the CRP Fellowship.
