DENMARK

PROTECTS HUMAN RIGHTS

Championing women’s rights and democracy

Supporting the humanitarian-development nexus

FOCUSES ON FRAGILITY

Providing predictable, flexible funding and using partner systems

EXCELS AS A PARTNER

>0.7% ODA/GNI since 1978

AREAS FOR IMPROVEMENT

Mainstreaming climate objectives and transparently accounting for climate finance would add credibility to Denmark’s climate diplomacy

Denmark could better implement the peace component of the humanitarian-development-peace nexus

Denmark could better integrate poverty reduction objectives into priorities such as climate action and fragility

Continuing to restore staff numbers and building skills and knowledge is key for Denmark to be a global influencer and an adaptive partner

Of the 18 DAC recommendations from its review in 2016 DENMARK has:

FULLY IMPLEMENTED

6

PARTIALLY IMPLEMENTED
