

## GVH TRAINING SEMINAR

### RECENT DEVELOPMENTS AND CASE LAW IN THE EU AND SPECIAL TRAININGS FOR DIFFERENT STAFF GROUPS

(BUDAPEST 16 & 17 APRIL 2015)

#### SEMINAR OBJECTIVES

The seminar will provide an update on EU competition law, with a special emphasis on procedures and due process. On day 1 these issues will be dealt with in the form of presentations for the whole GVH staff (plenary sessions). On day 2 we will provide targeted trainings for different groups of the GVH staff. Expert practitioners will share their experience on the drafting of decisions and procedures, economic analysis, merger control, negotiation techniques, the evaluation of Art. 101 infringements, the evaluation of health claims in consumer protection proceedings and on the institutional aspects of integrating consumer protection and competition enforcement in one authority.
