## ANNOTATIONS

### General annotations

In order to assure a timely circulation of the materials, documents must be made available **10 days prior to the meeting.**

The current policy of the OECD Working Party on Public Debt Management is to treat all information provided by Delegates as confidential. Authors of room documents will be consulted prior to putting these documents on the OLIS system or when documents are made public to a wider audience via websites (such as the OECD-Italian Treasury-WB PDM Network) or OECD publications, including the new Working Paper Series and the Borrowing Outlook. Meanwhile, Delegates are requested not to circulate (room) documents outside the OECD Global Forum without prior permission. Requests can be sent to the OECD.

Topics will in principle be discussed on the basis of the meeting schedule. Delegates are kindly requested to plan their attendance accordingly.

Recent information on OECD activities in the areas of public debt management and bond markets are available on: [www.oecd.org/daf/publicdebtmanagement](http://www.oecd.org/daf/publicdebtmanagement).
