

Social and emotional learning of refugee learners

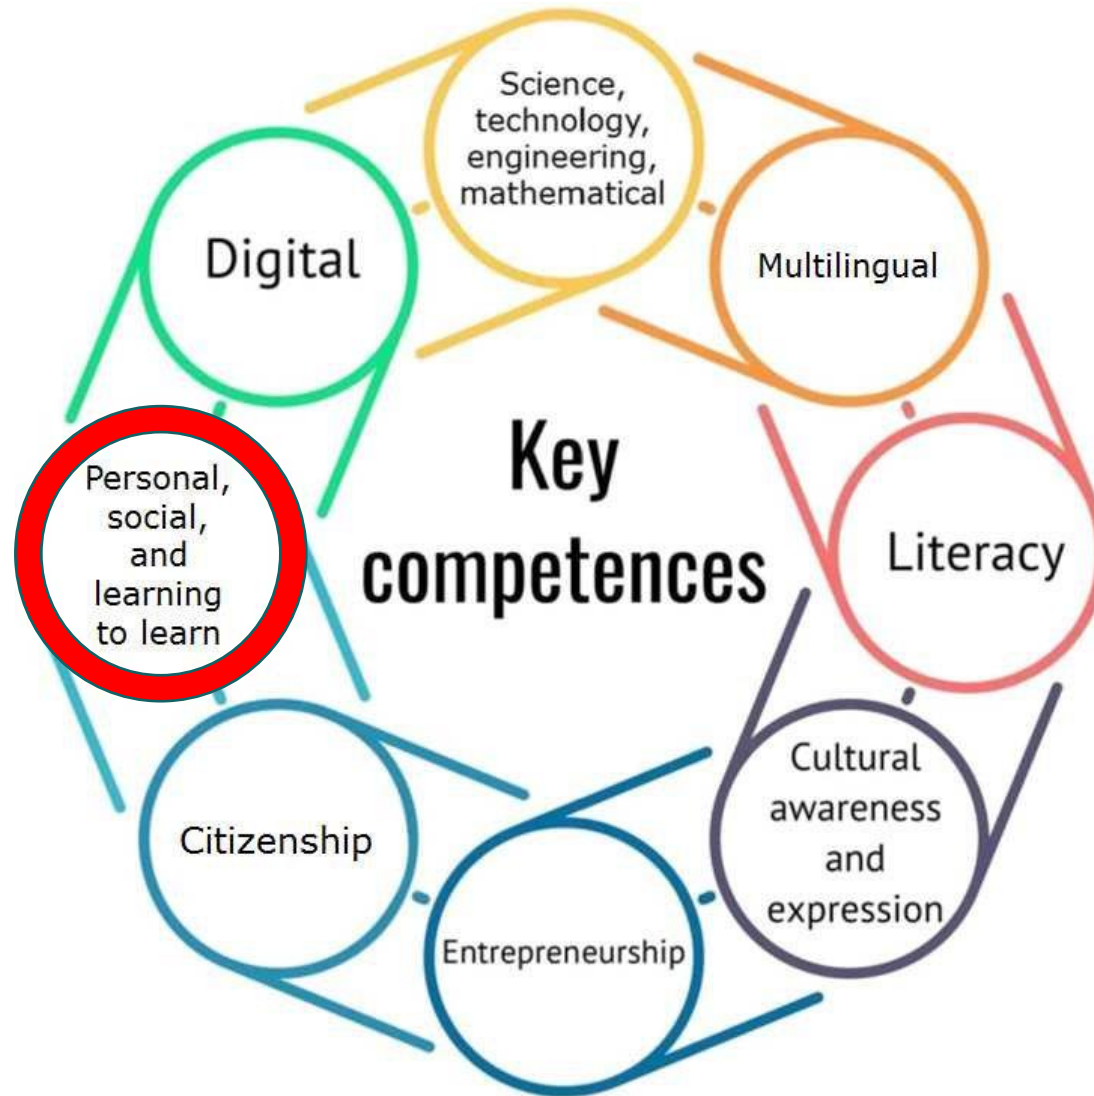

Ulrike STOROST, European Commission

Educational integration of refugee children

Adapted from OECD 2019

8 Key competences for Lifelong Learning (2018)

Social and emotional learning

Knowledge, skills, and attitudes to

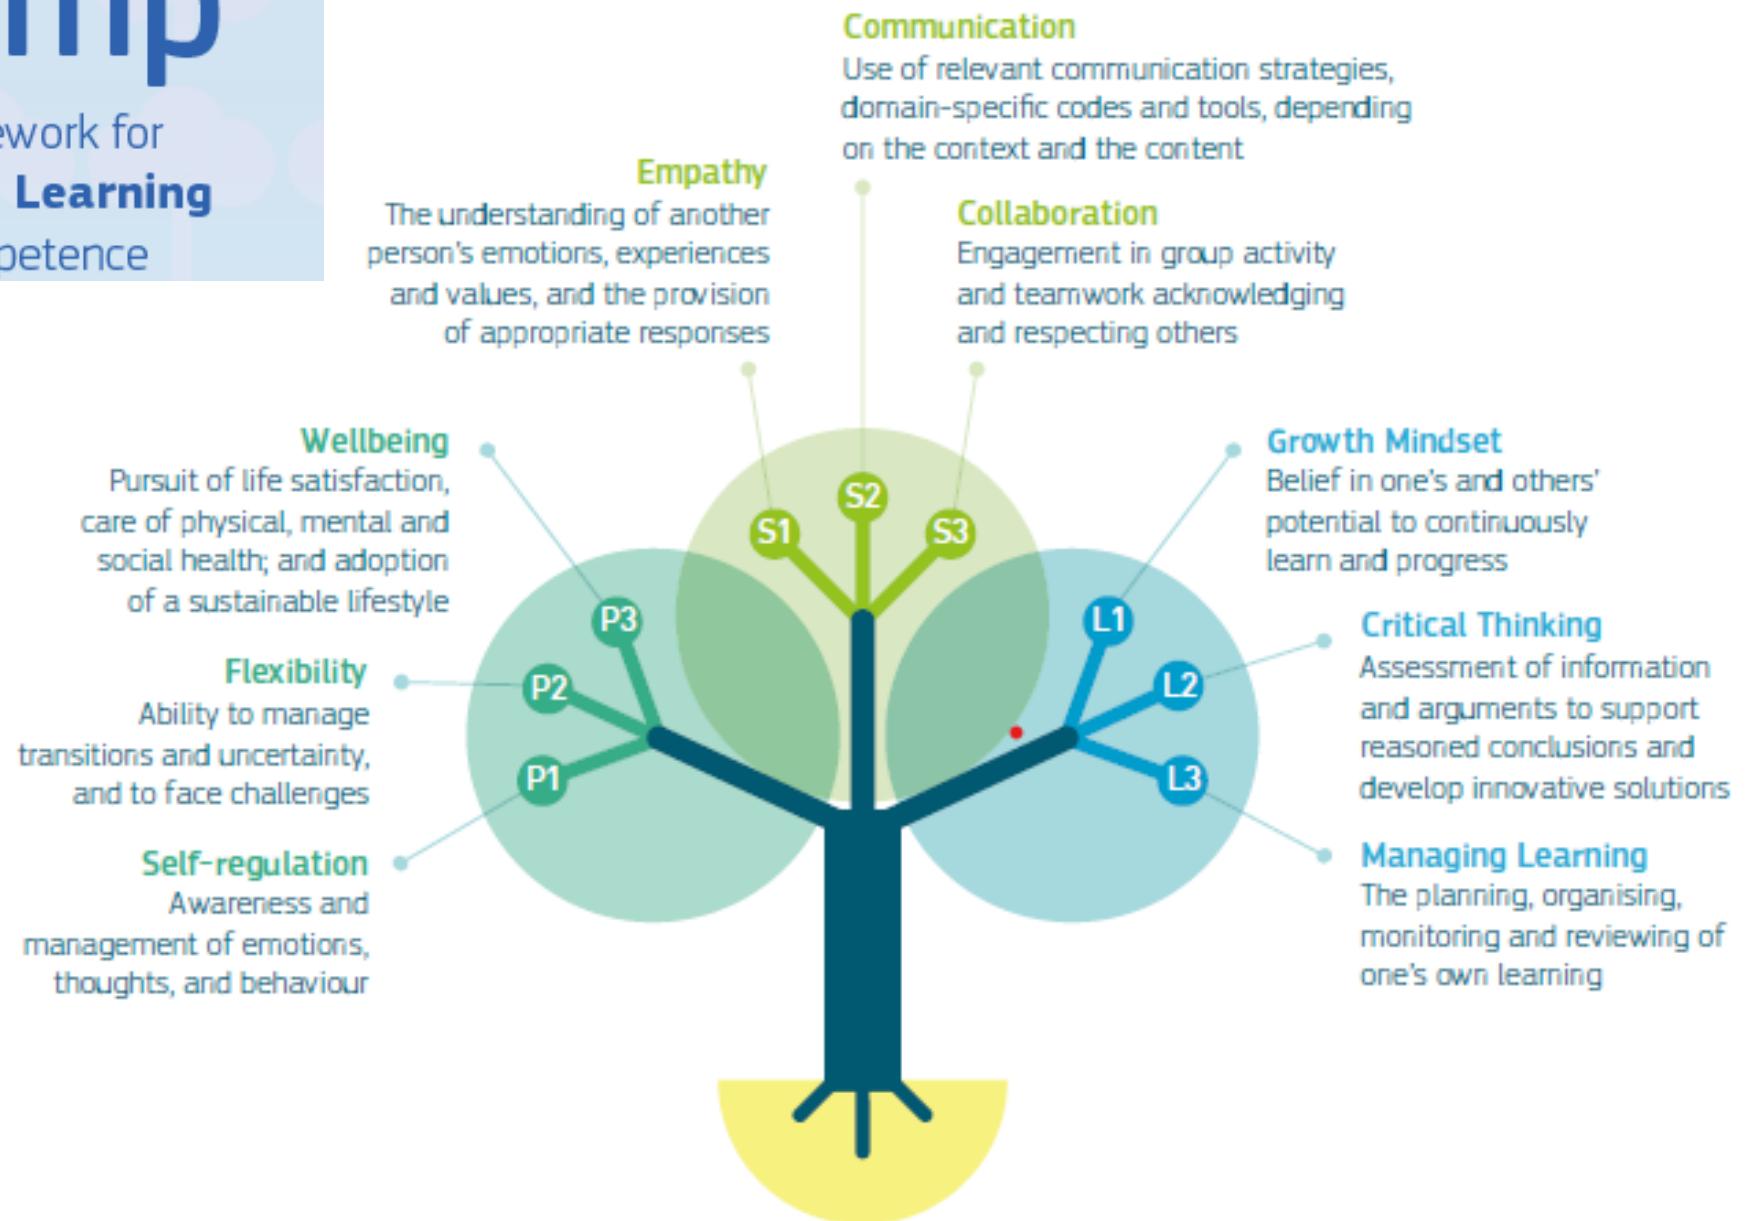

understand and manage emotions,
set and achieve positive goals,
feel and show empathy for others,
establish and maintain positive relationships,
build resilience, and
make responsible decisions.

Academic achievement and wellbeing go hand-in-hand

PATHWAYS TO SCHOOL SUCCESS

PROMOTING SUPPORTIVE LEARNING ENVIRONMENTS AND SUPPORTING WELL-BEING AT SCHOOL

Promoting well-being at school is a crucial aspect of supporting the personal, social, and academic development of children and young people. The European Education Area promotes a systemic change to address mental health and well-being in schools and build positive learning environments for all learners.

Inclusion of displaced children from Ukraine in education:
Practical manual for the school year 2022/23

1. Ensure a place in a host-country school

2. Prepare schools and teachers

3. Provide psycho-social + language support, extracurricular activities

4. Engage families + link with Ukraine

5. Promote inclusive learning for all

6. Support early childhood education and care

1. Ensure a place in a host-country school

2. Prepare schools and teachers

3. Provide psycho-social + language support, extracurricular activities

4. Engage families + link with Ukraine

5. Promote inclusive learning for all

6. Support early childhood education and care

Support measures in EU Member States

- **Compulsory school enrolment** in two-thirds of Member States in 2022/23
- **Language support**
- **Psychosocial and community support**
 - On-demand psychological counselling
 - Intervention teams, helplines
 - Informal adaptation groups
 - Teacher training, guidelines and material
 - Summer camps, extracurricular activities

Psycho-social support: Engaging the entire school community

Layer 1

Therapeutic interventions for complex/severe mental health issues

Layer 2

Psychosocial support for mild to moderate issues

Layer 3

Safe, inclusive, caring learning environment

Multilayered psychosocial interventions, adapted from UNESCO (2019)

EXPERT ARTICLE | 22.12.2022

Social and emotional learning for mental health and well-being

The psychological impact of the pandemic has highlighted the need for a more caring and compassionate education system to support the social and emotional needs of children and young people. In this article, Carmel Cefai from the University of Malta explains how this topic can be addressed.
