

Choosing path

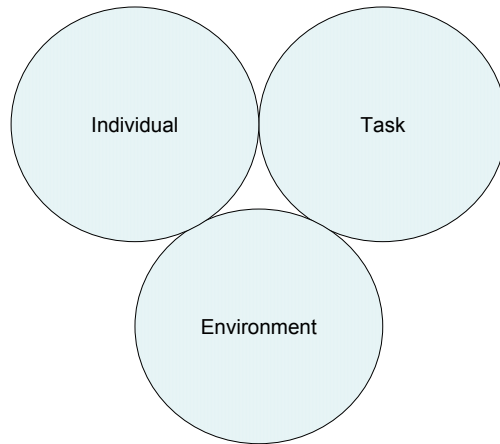

- sickness insurance and/or active labour market policies

- The choice
- How to choose
- To choose or not to choose
- Mental illness – specific challenges?

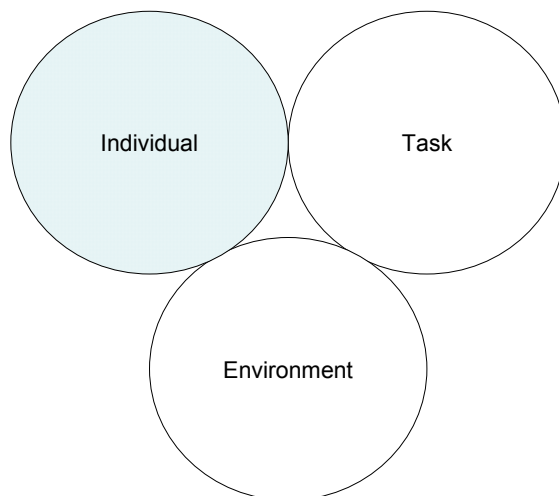

The two questions of sickness insurance

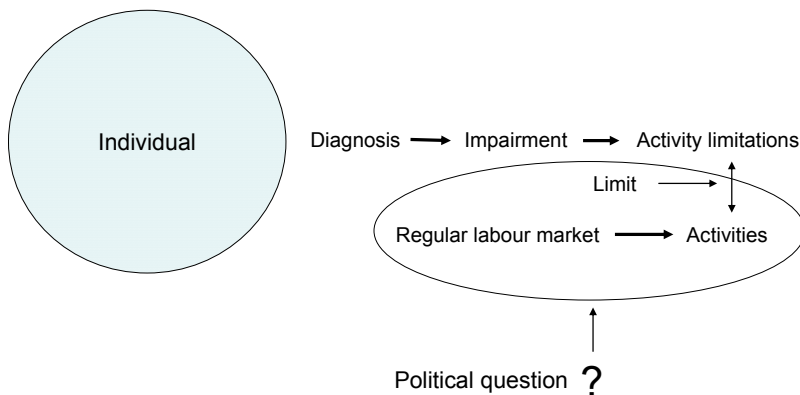

Work ability in present job

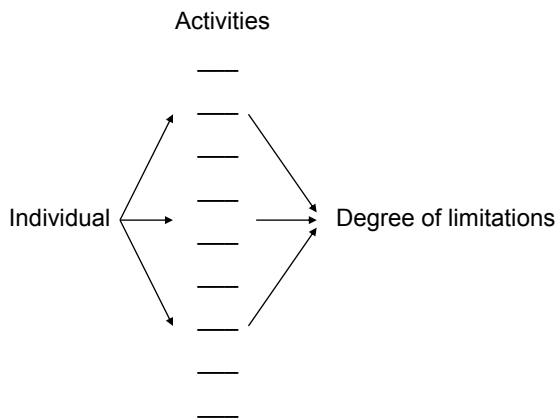

Work "ability" in any job

Who needs to try?

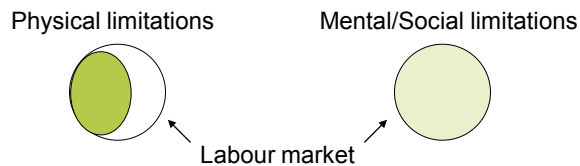

We need an instrument

Validity in two dimensions

- Describing limitations
 - walking
 - coping with change

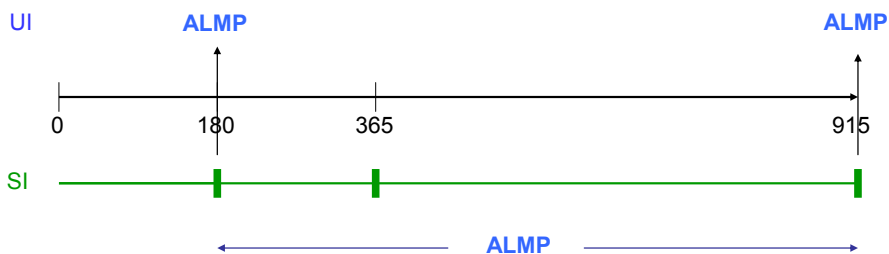

- Limitations in relation to work

Instrument development

- Theoretical and practical
- Validity
- Limit
- Medical question

Why choose?

Choosing path • April 2010 • Sida 9

 Försäkringskassan

Thank you!
