

Letizia BERTAZZON is a Researcher at Veneto Lavoro, technical agency of Veneto Region, Italy. She has been part of the research team of the Labour Market Observatory of Veneto Lavoro and the Regional Observatory of Immigration. She also carries out studies for different research institutions. She works on social research with a specific interest in labour market, education and migration. In the last years she has been focusing her research on dynamics and transformation of local labour market. Topics of research include methodological issues of social research and, more recently, analyses related to emerging sectors such as CCi and social innovation.
