

Telma FERREIRA works along with Ana Bragança, Ana João, Joana Santos, Lia Gonçalves, Marta Pinto Ribeiro, Sara Coutinho and Susana Teixeira at *Collectiva | Joalharia de Autor*, opened one year ago in September 2017, in Porto (Portugal). The eight resident artists present their different collection permanently at the gallery/ shop. The store/gallery has already positioned itself as a hub in the city of Porto by allowing emerging feminine designers to present their work. Since the beginning, they have been presenting a careful selection of small collections, limited editions and exclusive pieces, as well as a wide program of exhibitions and regular events such as the *APAV Solidary Exposition* and the *Collectiva Meeting* that will bring 90 national and international artists.
