Workshop on Public Integrity

Ma'an

Together for
an accountable
and transparent
public administration
in Jordan

26th June 2023

Hyatt Hotel
Amman

Objective

The **Workshop on the OECD Public Integrity Recommendation on 26 June 2023** is part of the “*Ma’an Together for an accountable and transparent public administration in Jordan*” project, funded by the EU. The purpose is to familiarise JIACC staff with the **OECD Recommendation on Public Integrity** and to develop, through group work, a better understanding of the underlying principles. In addition, the Workshop focuses on how to **measure corruption and integrity**. The results will also help the OECD to better understand the context, the progress achieved and the remaining challenges in Jordan. The event will have interpretation Arabic-English-Arabic.
