

Capacity-building programme on the development and implementation of effective PAR strategies

(part 2)

Agenda

The project

The overall objective of the project is to support the Palestinian Authority and to improve overall governance capacity in managing the public administration for the ultimate benefit of citizens and businesses through more effective and efficient policy and service design and delivery. More specifically, the project will aim at enhancing the capacity of law and policy-makers to:

- Develop a strategic framework for PAR,
- Support policy-development and co-ordination,
- Strengthen civil service and human resources management
- Contribute to improving service delivery
- Assist in the organisational and functional set-up of the Centre of Government and selected areas

The activities

In this framework the first phase of a capacity-building programme will be organized on 29-31 March 2022 in order to enhance and strengthen the capacities of public officials on the development and implementation of effective PAR strategies.

The activities will be delivered by a local expert (in-person). Peers from OECD member countries will intervene remotely to share best practices from OECD countries in terms of policy and legislative development.
