

PISA-D Strand C

Household Observations Questionnaire for the Interviewer

June 2016

Created by The Learning Bar

SECONDARY DATA (COLLECTED BY THE NATIONAL CENTRES)

HO001 What is the location of the dwelling?

HO001Q01NA (Select only one box.)

- Hamlet (<100 people) ₁
- Village (100-1000 people) ₂
- Large Village (1000-3000 people) ₃
- Small Town (3000-15000 people) ₄
- Large Town (15000-100000 people) ₅
- City (>100000) ₆

Module	SES and Poverty
Construct	Household location
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D. It provides information about the location of the dwelling.

HO002 What are the GPS coordinates of the village or neighbourhood?

(Obtained during sampling operations)

HO002Q01NA Latitude (five digits, e.g., 45.00000)

HO002Q02NA _____
Longitude (five digits, e.g., 32.00000)

Module	SES and Poverty
Construct	GPS coordinates (latitude and longitude)
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D. It provides information about the geographic coordinates of the village or neighbourhood in which the dwelling is located.

DWELLING CHARACTERISTICS (COLLECTED BY INTERVIEWER)

HO004 What is the main road to the dwelling made of?

HO004Q01NA (Select the most common material.)

- Tar 1
- Dirt 2
- Trail or path 3
- There is no road 4
- Other: _____ 5
- Unable to determine 99

Module	SES and Poverty
Construct	Main road
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D. It provides information about the type of road leading to the dwelling.

HO005 Does the area surrounding the dwelling have street lights?

HO005Q01NA

Yes **No**
 ₁ ₂

Module	SES and Poverty
Construct	Street lights
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D. It provides information about the presence or absence of street lights surrounding the dwelling.

HO006 Are there visible signs that security is a concern for the inhabitants of the area (e.g., barriers, security guards, barbwire, guns, etc.)?

HO006Q01NA

Yes

No

 ₁ ₂

Module	SES and Poverty
Construct	Security concerns
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D. It provides information about the state of security for the inhabitants in the dwelling's geographical location.

HO007 Kind of dwelling

HO007Q01NA *(Select the dwelling's best fitting description.)*

- Single family house/semi-detached house 1
- Part of a house/part of an apartment (e.g., private bedrooms with access to a common kitchen and bathroom) 2
- Apartment in a building with less than 10 dwellings 3
- Apartment in a building with more than 10 dwellings 4
- School 5
- Other: _____ 6
- Unable to determine 99

Module	SES and Poverty
Construct	Kind of dwelling
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D. It provides information about the type of dwelling where the youth resides.

HO008 Main roofing material

HO008Q01NA *(Select the roof's most noticeable material.)*

- No roof 1
- Natural roofing (e.g., thatch, palm leaf, or sod) 2
- Rudimentary roofing (e.g. rustic mat, rough wood planks, or cardboard) 3
- Finished roofing (e.g. metal, asbestos, finished wood, calamine or cement fibre, ceramic tiles, cement, or roofing shingles) 4
- Other: _____ 5
- Unable to determine 99

Module	SES and Poverty
Construct	Roof material
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D. It provides information about the dwelling's main roofing material.

HO009 Main material of the exterior walls

HO009Q01NA *(Select the exterior walls' most noticeable material.)*

- No walls 1
- Natural walls (e.g., cane, palm, trunks or dirt) 2
- Rudimentary walls (e.g., bamboo with mud, stone with mud, uncovered adobe, plywood cardboard, or reused wood) 3
- Finished walls (e.g. cement, stone with lime or cement, bricks, cement blocks, covered adobe, finished wood planks, or shingles) 4
- Other: _____ 5
- Unable to determine 99

Module	SES and Poverty
Construct	Walls material
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D. It provides information about the main materials used in the dwelling's construction.

HO010 Does this dwelling have electricity?

HO010Q01NA

Yes

No

*Unable to
determine*

_1_2_3

Module	SES and Poverty
Construct	Electricity
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D. It provides information about the presence or absence of electricity in the dwelling.

HO011 Besides the respondent, was anyone else present during the interview?

HO011Q01NA

- Yes ₁
- No ₂

Module	Context factor
Construct	People present during interview
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D and reflects question ZZ1a in from PIAAC. It provides information about the youth interview process.

HO012

Did this/these person(s) assist the respondent in answering the background questionnaire (youth interview)?

HO012Q01NA

Yes

 ₁

No

 ₂

Module	Context factor
Construct	Person assisted interview
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D and reflects question ZZ1b in PIAAC. It provides information about the youth interview process.

HO013 **Did this/these person(s) assist the respondent in answering the skills assessment?**

HO013Q01NA

Yes

 ₁

No

 ₂

Module	Context factor
Construct	Person assisted with skills assessment
Source	New to PISA-D

HO014

Overall, how often did you feel that the respondent understood the questions in the interview?

HO014Q01NA

- | | | |
|---------------------|--------------------------|---|
| Never | <input type="checkbox"/> | 1 |
| Rarely | <input type="checkbox"/> | 2 |
| About half the time | <input type="checkbox"/> | 3 |
| Often | <input type="checkbox"/> | 4 |
| Always | <input type="checkbox"/> | 5 |

Module	Context factor
Construct	PMK understood questions
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D and is similar to question ZZZ2 in PIAAC. It provides information about the youth's general understanding of the interview questions.

HO015 Did the respondent ask for clarification on any questions while undertaking the interview?

HO015Q01NA

Yes

 ₁

No

 ₂

Module	Context factor
Construct	PMK asked for clarification
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D and reflects question ZZ3 in PIAAC. It provides information about the youth's general understanding of the interview questions.

HO016 Where did the interview mainly take place?

HO016Q01NA

- Living/dining room ₁
- Kitchen ₂
- Bedroom ₃
- Entrance ₄
- Hallway or corridor ₅
- Office ₆
- Other space in the household ₇
- Other space outside of the household (e.g., near the house, <library>, etc.) ₈

Module	Context factor
Construct	Where interview took place
Source	New to PISA-D

Notes for National Project Manager and Translators

This question is new to PISA-D and reflects question ZZ6 in PIAAC. It provides information about the specific location in which the youth interview took place.

Adaptations to this question are optional. They need to be described in the Questionnaire Adaptation Spread sheet and agreed between the NPM and TLB.

HO017 Additional comments on the interview:

HO017Q01NA

Module	Context factor
Construct	Additional comments
Source	New to PISA-D
